

This Degree in "Motherology" Certifies That,

Most Certainly is...

The Most Wonderful Mother In The World

This prestigious award is bestowed upon her because she always has:

*The ability to encourage in every situation;
A shoulder to cry on and a hug to help;
Strength during difficult times;
A laugh when its most needed;
Energy to always get the job done;
The ideas to keep everything interesting;
& always enough love to go around!*
